

BACKPACKS FOR KIDS

Nancy DiPasquale from United Way pushed a full cart from Beatties Basics

The United Way held a Day of Caring on Tuesday, August 25th at the Enbridge Building on Schmon Parkway in Thorold. More than 30 volunteers from Hotel Dieu Shaver, United Way, the Kiwanis Club of St. Catharines and RBC Staff stuffed and sorted supplies for about 3,000 backpacks. The bags were packed for less advantaged youth from primary to high school and were taken to the District School Board of Niagara and the Catholic School Board to be handed out to students in need.
